Policies

2010-2011 Academic Year

Tuition

The Santa Barbara Ballet Center is more than dance classes-it is an educational institution. Tuition in the **professional** program (Ballet 1-8) is assessed as an **annual fee**. Payment for the **entire season (through June) is due** regardless of any classes missed just as any academic school you would attend. In order for Festival Ballet to continue to offer the finest classical training and continue to meet obligations, it is important that parents understand that our expenses are year round and are not lessened based on the number of students in class. Arrangements may be made to pay one annual payment, 4 quarterly payments, or divided into 10 payments due on the 15th of each month. If you choose to pay on the 15th of each month it is important to understand that your payment is not covering your current month of classes, but rather is one payment toward your annual fee. **Should you discontinue before the end of the term, tuition is still due.**

Tuition in the recreational program (creative-beginning ballet) is due on the first of each month.

Adults, Tap and other classes may pay for classes as a single class or may purchase a block of 8 classes at a time.

Late fees of \$15.00 are assessed for any payment more than 5 days late. **Students more than 2 payments in arrears may not return to class until their account is current.**

Make-up lessons/Missed Classes

Please notify us when your child is ill or misses class for other reasons, especially for any prolonged absences. **No refund is given for classes missed and we do not pro-rate for prolonged absences,** but make-up lessons will be extended whenever possible.

Tardiness

It is requested that you do your utmost to have your child in class on time. Children arriving late miss important information, are not properly warmed up and may be injured, and disrupt the class. Students arriving too late will be asked to watch.

Student may not arrive more than 15-20 minutes early for class as there is no adult supervision.
